

## FEATURES

- Simultaneously display TDS and temperature
- Automatic temperature compensation
- Numerical locking (HOLD)
- High efficiency platinum electrode
- Electrode protection cap

## APPLICATIONS

- Industrial production
- Laboratory measurements
- Pharmaceutical manufacturing
- Agricultural cultivation
- Aquaculture
- Food safety
- Environmental protection

## TECHNICAL SPEC

Measure range	0-9999ppm
Resolution	1 ppm
Accuracy	±2%FS
Screen display	TDS + Temperature double display
Automatic Calibration	744.7ppm 7447ppm
Operating Temperature	0-60°C(32-140°F)
Automatic shut-down	10 Minutes
Battery	1.5V battery (LR44) X4Pcs
Size	40X185mm
Weight	88g
