

Features :

- Waterproof and dustproof
- Green laser
- Multiple measurement mode
- Large display of 2 Inch
- 3D voice broadcast
- 20 reading memories

Technical Specifications

Display Size	:	2.0 inch HD large display
Measuring range	:	120M
Accuracy	:	±2mm
Wavelength	:	620-690nm
Units	:	M,ft,in
Horizontal beam	:	Yes
Vertical beam	:	Yes
Cross line	:	Yes
Color of laser	:	Green
Measurement functions	:	Single measurement Continuous measurement Area measurement Volume measurement Triangle area measurement First Pythagorean measurement Second Pythagorean measurement Third Pythagorean measurement Continuous addition Continuous subtraction
Battery Type	:	3.7V Lithium battery
Dimension	:	123 x 51 x 28 mm
Weight	:	132g
